CONDITIONAL USE PERMIT
Winona County, Minnesota

Permit number 1191 has been issued to: MENNO YODER & LYDIA YODER

For the purpose of **Allow a Dog Kennel**

Under Section 10.4.6 (14) for the following described property:
See attached legal description

This permit is issued on 1/5/2016 and is valid until Revoked.

This permit is subject to the following conditions:

1. The owner(s) of the property to which this Conditional Use Permit is issued will abide by all representations and commitments made during the permitting process as well as before the Planning Commission, in accordance with all conditions to the conditional use permit, taken as a whole, as approved by the Planning Commission and the County Board.
2. The petitioners comply with Chapter 9.9 of the Zoning Ordinance relating to Advertising Devices.
3. Petitioner meet sanitary requirements for the collection of dog waste and wastewater, and should not an acceptable method be employed, the petitioner be required to obtain a Septic Permit for the installation of a holding tank.
4. Petitioner comply with all relevant regulations and standards of Winona County and the State of Minnesota.
5. Limit the number of adult dogs to fifty (50).
6. Allow random inspections and consent to access by County staff or Sherriff's Department.
7. Maintain an outdoor socialization yard.

This permit is granted upon the express conditions that said owner and his/her contractors, agents, workmen and employees shall comply in all respects with the Ordinances of the County of Winona and the laws of the State of Minnesota.

This permit is granted following a formal public hearing by the Winona County Planning Commission on 12/17/2015, and approved by the Board of Commissioners of Winona County on 1/5/2016

Given under the hand of the Planning Director of Winona County

Eric Evenson-Marden
Planning and Environmental Services Director

Care of Dogs	Dogs should have access on a daily basis for play and exercise.	X			
	Dogs must have access to fresh water as appropriate.	X			
	Dogs must have access to fresh food provided at appropriate intervals to maintain a healthy weight.	X			
	Dogs must be provided appropriate health care, including routine and preventative care.			X	
	Dogs should be provided with daily positive human contact and socialization.	X			
	Each dog should have its overall health and behavior assessed daily. Any deviation in its health must be addressed expeditiously and appropriately.			X	
	Dogs should be free from internal and external parasites.			X	None were visable
	Dogs should be afforded regular grooming to ensure health and comfort	X			
Kennels and Housing	When euthanasia is necessary, it must always be performed humanely.			X	
	The primary enclosure must be large enough to allow the dogs to sit, stand, lie down, or turn around comfortably without overcrowding	X			
	The primary enclosure must be constructed and maintained so that (1) dogs are securely confined and (2) it does not cause them injury	X			
	Facilities must provide protection from adverse or extreme weather conditions	X			
	While flooring that provides solid footing is preferred, if wire is used as flooring of a primary enclosure, it should be composed of a material featuring a protective coating, be of an appropriate size to prevent injury (especially to feet), and must be kept in good repair. If wire is used, a solid platform of sufficient size should be provided to allow the dogs to attain solid footing and to offer a space for resting.	X			
	Facilities must be lighted to provide a regular lighting cycle for the dogs.	X			
	Bedding material made available to dogs should be clean and not pose a risk to them.	X			
Operations	There must be a sufficient number of staff to carry out appropriate levels of care and conditions for the number of dogs kept.	X			
	Facility and primary enclosures should be clean, free from debris and odor, and feces should be picked up and disposed of as frequently as necessary to maintain the dogs' health.	X			
	Each kennel should maintain an adequate emergency preparedness plan for the type of facility owned and breeds of dogs maintained therein			X	There were vet reports posted

*Suspected cases of animal neglect will be reported to the County Sheriff, USDA, and Minnesota Board of Animal Health. The County reserves the right to hire an independent veterinarian to inspect suspect animal health concerns.
